Friends of Lichfield Historic Parks

Beacon Park • Minster Pool & Walk • the Garden of Remembrance • Stowe Pool & Fields

The Friends of Lichfield Historic Parks are a group of local residents who believe that Lichfield Historic Parks are wonderful green assets in the centre of Lichfield.

The group meets regularly with officers from Lichfield District Council to discuss the maintenance and development of the historic parks and to hear about upcoming events, at many of which group members can offer practical assistance.

If you would like to become a Friend of Lichfield Historic Parks, you will be made very welcome.

Our meetings take place in the evening at the Lichfield District Council's Frog Lane offices.
